Buenaventura Announces a Temporary Suspension of Production at Orcopampa Mine

LIMA, Peru--(BUSINESS WIRE)--December 12, 2018--**Compañía de Minas Buenaventura S.A.A.** (“Buenaventura” or “the Company”) (NYSE:BVN)(Lima Stock Exchange:BUE.LM), Peru’s largest publicly-traded precious metals mining company, today announced that it is temporarily suspending production at its Orcopampa mine from December 17, 2018 through January 31, 2019.

In line with the Company's strategy to prioritize Orcopampa’s De-bottlenecking Program over ore extraction as was announced within the Company’s 2Q18 Operating Release on July 12, 2018, Buenaventura’s management has made the necessary decision to cease production temporarily in order to focus on centralizing the operation.

The plan is to optimize the current infrastructure by improving the mine ventilation system and reinforcing the galleries to ensure the safety of Orcopampa’s on site team, consistent with Buenaventura’s ongoing focus on mine safety as the Company’s foremost priority. During the temporary suspension of production, approximately 550 workers will perform the activities related to optimizing the current infrastructure.

Total plan production for 2018 and 2019 will not be materially affected.

Buenaventura today informed the Peruvian Ministry of Labor of the temporary suspension of work due to Force Majeure.

The Company will provide updates accordingly once production at the Orcopampa mine has been reestablished.
